## FUELING THE ECONOMIC FIRE

RTL Networks, Inc. is Awarded Colorado Companies to Watch Award

**Denver, Colo., June 22, 2010-** In April of 2010, RTL Networks, Inc. was given the honor of being acknowledged as a Colorado Companies to Watch awardee. RTL Networks, Inc. is proud to be a member of the second annual Class of Colorado Companies to Watch, a Dynamic Business recognition Program.

As a Colorado Company to Watch, RTL Networks, Inc. is acknowledged as a growing business that has strived to develop valuable products and services, create quality jobs, enrich communities, and help to build new industries throughout the state. In spite of economic fluctuations, RTL Networks, Inc. was able to close the year of 2009 having increased its annual revenue by 170%.

However, the evaluation for Colorado Companies to Watch not only looked at past growth and projected success, applicants were also judged according to their special strengths. Innovative products and business practices, special use of technology, work within the community, the value of quality job creation, diverse industries, and statewide representation were also areas that RTL Networks, Inc. set itself apart among the more than 400 other 2010 applicants.

“Congratulations to RTL Networks, Inc. on your accomplishment of being named a 2010 Colorado Companies to Watch! The competition was strong, and being selected as an awardee is truly an honor and a testament to the vitality of your company.” – Don Marostica, Director, Colorado Office of Economic Development & International Trade.

RTL Networks, Inc. was recognized in the June 2010 Edition of ColoradoBIZ Magazine and will be recognized at the 2010 Colorado Companies to Watch gala awards celebration on June 18, 2010 at the Denver Marriott City Center. Also keep an eye out, as RTL Networks, Inc. will also be named “This Week’s Colorado Company to Watch” sometime within the next year.

Based in Denver, RTL Networks Inc. is a certified technology company, focused on helping customers leverage technology to meet business objectives. RTL Networks, Inc. delivers a full range of products and services focused on helping its Department of Defense, Federal government and commercial customers meet their business objectives, increase productivity and maximize performance and security of their operational assets.
