HOTTEST COLORADO COMPANY AWARDEES ANNOUNCED

Lead411 recognizes RTL Networks, Inc. among the fastest growing technology companies in Colorado

Los Angeles, CA (PRWEB) July 19, 2011 - In order to recognize the hottest technology companies in Colorado, Lead411 proud to announce the release of the 'Hottest Companies in Colorado' awards for 2011. On a daily basis, the Lead411 research team scours through at least 600 press releases and business articles including venture capital financings, company launches, office openings, new customer press releases, etc. This information has given insight to which are the fastest growing technology companies in U.S. Their "Hot List" awards have been created to recognize these fast growing companies. This particular list originally started with over 672 companies and it has been narrowed down to the top 32.

"We are very proud of these awards. We have been tracking fast-moving companies for our customers for the past 10 years," said Tom Blue, CEO of Lead411, "and we felt it was important to recognize these growing brands publicly."

Awarded companies include RTL Networks Inc, Collective Intellect Inc, Format Dynamics Inc, NexGen Storage, Inc, and XIOtech Corporation. The entire list including more details about the award and winners can be found at <http://www.lead411.com/awards/2011/colorado.html>
