AMONG THE NATION'S BEST!
RTL Networks, Inc. Ranks 331 on Inc 500

Denver, Colo., August 26, 2010 - After two years of placing on the nation's prestigious Inc. 5000 list, RTL Networks, Inc. has leapt an astounding 1,546 spots to join the even more esteemed Inc. 500 list. As the 331st fastest-growing privately held company in the United States, this eight year old enterprise has posted another record breaking year; earning recognition by publications such as the ColoradoBiz Magazine and the Denver Business Journal. Inc. has also recognized RTL Networks, Inc. among the nation's private companies as the 5th fastest growing African American Company in the U.S., 6th fastest growing company in the Denver Metro Area, and the 25th fastest growing IT Service Company in the U.S.

In 2009, RTL Networks, Inc. ranked in as the 1877th fastest-growing private company, which was lower than its 2008 Inc. Magazine debut at 1393rd. However, with much vigor, RTL Networks, Inc. has increased its revenue by +900% over the past 3 years. This accomplishment places RTL Networks, Inc. in the midst of a multitude of industry leading Inc. 5000 Alumni including IT giants, such as Bill Gates of Microsoft and Larry Ellison of Oracle.

President and CEO, Richard Lewis attributes the company's accomplishments to its plans for success in the early phases of the company, the professionalism and dedication of its employees ethical conduct and its quality products and services saying, "We at RTL Networks believe we work harder than anyone else in the world for our Customers, and this recognition is an indication that this conviction may not be that far from the truth! RTL Networks is thrilled to be recognized by Inc. Magazine for the third consecutive year and, in doing so, joining such venerated alumni. This award strengthens our resolve to continue to strive for excellence and success."

According to Inc Magazine, "The list is a distinguished editorial award, a celebration of innovation, a network of entrepreneurial leaders, and an effective public relations showcase." Richard Lewis and the staff of RTL Networks, Inc. have taken the necessary strides toward innovation over the last couple of years and the hard work is definitely paying off. "This is only the beginning," says Richard Lewis.
