NATIONAL RECOGNITION FOR LOCAL SMALL BUSINESS
America Takes Notice of the Rapid Growth of RTL Networks, Inc.

Denver, Colo., May 14, 2008- As President/CEO of RTL Networks, Inc., Richard Lewis has effectively grown his company from an idea into a multi-million dollar organization. For a small business, the five year mark can either make or break a new venture. Now rapidly approaching its sixth year anniversary, RTL Networks, Inc. is stronger than ever despite external economic fluctuations.

The accomplishments of Mr. Lewis and his company have not gone unnoticed. RTL Networks, Inc. has recently been acknowledged by the *Heartbeat of America* as well as the President of the United States of America. Upon meeting Richard Lewis, President Bush addressed the success and growth of RTL Networks, Inc. on a live CNN broadcast in November of 2006. Mr. Lewis was commended for recognizing his dreams and keeping the economy growing with RTL Networks, Inc.

In November 2007, Richard Lewis was featured on *Heartbeat of America* hosted by William Shatner. *Heartbeat of America* is a national television program which presents a company's story for the purpose of aiding emerging companies in their growth, despite economic setbacks. Shorter edited versions of the shows are also produced for the companies to later use as marketing tools for target potential consumers of their product or service.

RTL Networks, Inc. was honored with the Keeping America Strong award presented by Rear Admiral Kevin F. Delaney, USN (ret.). This honor is a special award for the notably worthy companies that are featured on the national television show, *Heartbeat of America*.

Based in Denver, RTL Networks Inc. is a certified technology company, focused on helping customers leverage technology to meet business objectives. RTL delivers a full range of products and services focused on helping its Department of Defense, Federal government and commercial customers meet their business objectives, increase productivity and maximize performance and security of their security assets.
