FOR IMMEDIATE RELEASE

JUST AROUND THE BEND

RTL Networks, Inc. Moves Headquarters to New Office Space

Denver, Colo., March 19, 2009- RTL Networks, Inc. has moved its headquarters office from: 2420 W. 26th Avenue, Suite 480, Bldg D, Denver, CO 80211
To: 2460 W. 26th Avenue, Suite 250, Bldg C, Denver, CO, 80211.

The Denver metro area has been an ideal host for the maturation of this small business, so RTL Networks, Inc. has decided to stay within the Diamond Hill Office Complex, just off of I-25 and Speer Boulevard. The new office space is located in the building adjacent to the previous location.

The relocation began February 28th, 2009. Having expanded its corporate staff to accommodate its compounding business, RTL Networks, Inc. has outgrown its humble beginnings and has moved into a larger office space. The tremendous growth of the company is not only evidenced by its new 3,900 square foot office, but also by the numerous awards RTL Networks, Inc. has received in the past year.

Recognized by the Inc Magazine as one of the nation's fastest growing private companies, RTL Networks, Inc. now has space to continue to flourish. President and CEO Richard Lewis comments on the move saying, "Our building is easily accessible from I-25, has ample parking, cooperative management and offers wonderful views of the city. This is a hard to beat combination."

Aside from the minimal changes in physical and mailing address (noted above), all contact information for RTL Networks, Inc. will remain unchanged. RTL Networks, Inc. may be contacted at 303-757-3100 locally and toll-free at 877-785-2259.

Based in Denver, RTL Networks Inc. is a certified technology company, focused on helping customers leverage technology to meet business objectives. RTL Networks, Inc. delivers a full range of products and services focused on helping its Department of Defense, Federal government and commercial customers meet their business objectives, increase productivity and maximize performance and security of their operational assets.
