BEST IN CLASS
RTL Networks, Inc. Ranks Among Nation's Fastest Growing

Denver, Colo., August 26, 2008- After six years of energy, diligence and best in class service, RTL Networks, Inc. has ranked among the nation's prestigious 2008 Inc. 5000. This accomplishment places RTL Networks, Inc. among the fastest-growing private companies in America. This six-year-old company has earned its rank of 1393 among the nation's 5000. Alumni of the Inc. 5000 include I.T. giants such as Bill Gates of Microsoft and Larry Ellison of Oracle.

The Inc. 5000 is a benchmark for the most innovative, successful, and dynamic companies in the United States. The Inc. is a monthly magazine for entrepreneurs and small businesses that began publishing a list of the 500 fastest-growing private companies in the U.S called the "Inc. 500." The Inc. 5000 was introduced in 1982 as an expansion of the 500 list.

The Inc. 5000 was meant to delve deeper and offer a more thorough look at the entrepreneurial engine which drives the economy of the United States. Upon acknowledgement, Inc. 5000 honorees become members of the most influential business club in America. After more than 27 years, Inc. continues to recognize the success and commitment that goes into building a company from small to prosperous.

When asked about the secret to the success and rapid growth of RTL Networks, Inc., Richard Lewis replied, "It's really not a secret. We listen to our customers, employ high-quality employees, utilize sound service delivery practices and procedures, and constantly work to improve ourselves."

Based in Denver, RTL Networks Inc. is a certified technology company, focused on helping customers leverage technology to meet business objectives. RTL delivers a full range of products and services focused on helping its Department of Defense, Federal government and commercial customers meet their business objectives, increase productivity and maximize performance and security of their security assets.
