Dear Richard Lewis:

The Division of Small Business Opportunity is pleased to inform you that RTL Networks, Inc. is certified as a Disadvantaged Business Enterprise (DBE) pursuant to the US Department of Transportation's Regulation 49 CFR Part 26. RTL Networks, Inc. is eligible to participate as a DBE on US Department of Transportation financially-assisted projects in Colorado in the work categories listed on the enclosed attachment. Your firm will be included on the Colorado Unified Certification Program's (UCP) on-line directory of eligible DBE's. You can access the directory at www.dot.state.co.us/app_ucp/.

Certification Number: 7419

Annual Update Due: June 2, 2011

This certification is valid through June 2, 2013 but must be updated annually prior to the anniversary of the certification date. A reminder with instructions will be sent the month prior to your annual due date. If you do not receive the reminder, it is your responsibility to request a Change Affidavit from this office. The annual updates are necessary to ensure no interruption in your firm's DBE eligibility. If any change occurs in the firm's legal structure, ownership, management, control, or work performed, you must notify the Division of Small Business Opportunity immediately.

The State of Colorado's UCP partners wish you great success in all your business endeavors.

Sincerely,

Tamela Lee
Director
